Single Season Rushing Record Holder is Re-Signed

Estero, FL- The Af2 all-time single season rushing record holder Steve Gorrie was assigned to the Firecats today by the Af2 league office. Steve Gorrie set the single season record last year in route to the Arena Cup Championship. "Steve has been an extreme asset to the team, his offensive running ability has been unmatched. Anytime you get a guy like Steve Gorrie, it is an instant asset to your team. We are extremely happy to have Steve back while we defend our Arena Cup Championship," stated President/GM Chris Vallozzi. Steve set the single season rushing record in 2004 with 500 yards rushing. Steve also set many franchise records as well. Coach Kevin Bouis was extremely pleased to have Gorrie back for the 2005 season. "Steve is the anchor of our running game, and we are excited to have him back." The Firecats season starts on April 1, 2005 in Macon, Georgia, versus the Macon Knights. The Firecats return to the Germain Arena for the season opener on April 16. Season tickets are on sale now starting as low as \$108.00; contact the Firecats for season tickets at 239.390.CATS (2287).
